A screenshot of the MapQuest Directions page. The page has a green header with the MapQuest logo and navigation buttons. Below the header, there are two columns for 'Starting Address' and 'Ending address'. Each column has an 'Address or Intersection' input field, followed by 'City', 'State/Prov.', and 'ZIP/Postal Code' input fields. There are also 'OR' options for 'Recent Searches' and a 'Clear' link. At the bottom right, there is a 'Get Directions' button. Black arrows from the instructions point to the 'Address or Intersection' fields, the 'Clear' link, and the 'Get Directions' button.
